Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Saturday 31 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Some showery outbreaks are possible.

This Evening and Tonight:
Cloudy for many this evening with some showery outbreaks of rain in southern areas. Largely dry overnight but a few showers are still possible in Cumbria. Feeling cooler than recent nights. Minimum temperature 10 deg C (50 deg F).

Sunday:
A rather cloudy start to Sunday, as a band of patchy rain continues to clear south. Brightening up for some in the afternoon, but a few showers will develop. Maximum temperature 20 deg C (68 deg F).

Outlook for Monday to Wednesday:
Fine and mostly dry on Monday with some sunny spells. Scattered showers on Tuesday, and then further showers on Wednesday, heavy at times.
